### Instructions For Holiday Gift Boxes:

Some of the seniors have longer wish lists than others. Our suggestion is that a full box is more fun than one with three things rattling around inside, even if they happen to be the exact three things requested. Here is a list of suggested items that will be appreciated by all:

The seniors are always in need of hygienic items (razors, toothbrushes, combs, toothpaste, soap, powder, deodorant, shampoo, etc..) They are also in need of food items (nabs, canned meat, puddings, Jello, boxed/easy meals, Ramen, canned goods etc.)

Please do not feel obligated to purchase everything on their list. We appreciate any and everything you do.

**Once your box is filled, please wrap it and affix the gift tag to the top. IT IS EXTREMELY IMPORTANT THAT THE SENIOR'S TAG IS TAPED OR GLUED FIRMLY TO THE TOP OF THE BOX, SO THAT WE DON'T GET THE BOXES MIXED UP!!**

THE BOXES SHOULD BE BACK IN THE AIKEN LOUNGE NO LATER THAN **xxxxxx**, SO THAT WE WILL HAVE AMPLE TIME TO MAKE DELIVERIES.

**Thank you for your generosity!**

**Blessings for a Joyous Christmas!**
